VI. ADJOURNMENT:

VII. APPENDIX
Resolution to make evaluations ‘semi-mandatory’

Whereas evaluations at the University of Michigan for Graduate Student Instructors (GSI) and faculty are completely voluntary on the students part, and

Whereas evaluation completion rate for paper evaluations used to be >90%\textsuperscript{1}, and

Whereas the current digital system has around a 30\% completion rate\textsuperscript{2}, and

Whereas teaching evaluations for GSIs are a training tool for junior colleagues,\textsuperscript{3} and

Whereas teaching evaluations for professors plays a significant role in professional advancement within the University,\textsuperscript{4} and

Whereas a smaller sample size becomes less relevant for professional advancement and less useful as a training tool.

Whereas a system of mandatory evaluations would benefit both GSI, junior faculty, and the University as a whole, therefore

Be it resolved that a student who has not filled out the relevant evaluations for a class shall not be able to see their grades for said class within a period of not less than one (1) month from the end of the semester.

Be it resolved that immediately upon completion of the relevant evaluations, a student shall be able to see their grades.

Be it resolved that the President of the Rackham Student Body in conjunction with the RSG Academic Affairs Committee shall work with the Office of the Registrar to set these changes in place.

\textsuperscript{1} In order to become a better teacher, and prepare for future leadership roles
\textsuperscript{2} including tenure and salary adjustments,
Resolution to create a class-bank system

Whereas classes are a critical, mandatory component of the majority of graduate student education at the University, and

Whereas some upper-level classes are offered once every two or three years

Whereas these classes may prove to be advantageous for advancement

Whereas the current Rackham system for PhD candidates only allows for a single class to be taken free of charge per semester

Whereas a second class can be taken for a substantial fee to the student or the advisor

Whereas fellowships and training grants often require additional classes to be taken; these classes can negate the cost-benefits of candidacy and other training grants, therefore,

Be it resolved to convert the current Rackham system to a class-bank system in which graduate students are allowed (with their advisors permission) to take as many classes as desired, up until the class bank is depleted is met, at which point students are permitted to enroll or audit in one class per semester.

Be it resolved that this bank shall contain X classes/credits

Be it resolved that the President of the Rackham Student Government on behalf of the Rackham Student Body is instructed to work with the Office of the Registrar and Rackham Graduate School to implement these suggestions.
